Protect yourself from molesters!!

In Saitama Prefecture, there have been many cases of molestation which target a woman walking alone on the way home in the middle of the night.

Precautions against molesters

Use well-lit streets.

It is dangerous to walk in narrow and deserted streets.

Walk in well-lit streets and where there are many people.

Carry a security alarm.

Carry a security alarm so that you can use it when necessary.

Walking while doing something else is dangerous!!

Never "walk while listening to music or using a cell phone" because it may cause you not to be able to notice suspicious people around you.
